

DR. DEREK NORCOM

No-Show and Cancellation Policy

As a courtesy to others, we ask that you give us as much notice as possible when cancelling or rescheduling an appointment so we may offer that time to another patient.

Cancelling with less than 24 hours notice or not showing for your appointment will result in a \$100 missed appointment fee.

Cancellations must be made during office hours at least one full business day before the scheduled appointment by speaking directly to a staff member.

If a second no-show or same day cancellation occurs, we reserve the right to terminate the doctor-patient relationship. This policy is in effect for all appointments at our office. Additionally, we reserve the right to modify any policies without notice.
